Re: Amended 2010 Financial Disclosure Statement

Dear Ms. Haas,

While preparing the 2011 Financial Disclosure Statement, we found that certain Employee retirement plans were omitted from the initial filing last year due to a third party error in providing the information. The omission was unintentional and has been included in the 2011 Financial Disclosure Statement correctly.

Accordingly I would like this letter to provide your office with the amended information so that you can update prior year's statement.

The following accounts are retirement plans at the Filer's and Spouse's employer and should be included in Schedule III of the 2010 Statement as follows:

**Spouse:**

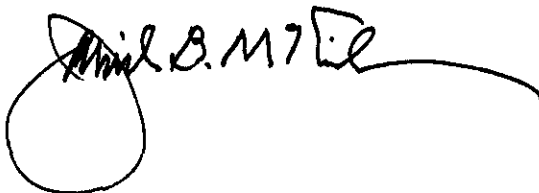

SP	OVHS&E 401K Retirement Savings Plan	\$100,000-\$250,000	Dividends	None
SP	OVHS&E Pension Plan	\$50,000-\$100,000	Dividends	None

**Filer:**

McKinley & Associates PSP (401K and Profit Sharing Plan) 500,000-1,000,000 Dividends/Int  
None

Please let me know if your office requires any additional information on these items to properly amend the 2010 information. We sincerely believe that all assets are properly reported now.

Sincerely,

David B. McKinley
